Those With More Than Enough Helping Those Without Enough

Through the Leisure World Cares Fund those of us who are financially comfortable can choose to provide small financial supplements to those who are being broken by the weight of the HOA fee increases.

Donations help our neighbors who are on fixed incomes keep the security of a home and avoid having to move out into an uncertain future.

Do You Have More Than Enough?

Help Those Without Enough

Help Power Our Mission

Share our information with anyone who may need help with HOA fees.
