Donate to Leisure World Cares Fund

☀️ Join us in helping our neighbors stay in their homes ☀️

At the Leisure World Cares Fund, we know that for some of our neighbors who are on fixed incomes the rising HOA fees have become unmanageable. They may be faced with having to give up the security of a home and move into an uncertain future.

Through the Leisure World Cares Fund those of us who are financially comfortable can choose to provide small financial supplements to those who are being broken by the HOA fees. Become a one-time or sustaining donor and you will be donating the security of home to a neighbor.

How you can help power our mission:

1. **Donate:** Every dollar counts. Contribute now to help us reach out to the few among us that are the most burdened by rising HOA fees. **Donate at www.lwcaresfund.org**
2. **Share:** Share our campaign information with your friends, family and on social media. Your advocacy can amplify our impact. Find more information at www.lwcaresfund.org
3. **Volunteer:** Your time and skills can make an impact. Email us at lwcares@lwcaresfund.org

For those also interested in reducing their income from Required Minimum Distributions (RMD) from IRAs, a Qualified Charitable Distribution (QCD) allows anyone 70 1/2 or older to transfer up to \$108,000 to a charity tax free. The QCD counts as an RMD, reduces gross income and does not reduce the standard deduction allowed. Put your excess to use while you are alive to see it work.

Thank you for supporting our mission. Your support is invaluable. Find more information at www.lwcaresfund.org.
